DR TAFFI HAIR LOTION PROTECTS WEAK HAIR AND PREVENTS HAIR LOSS 100 ML

Made in Italy

A very effective lotion created for hair loss, fragility and impurity problems.

What it does?

1. It has a revitalizing effect on the skin and nettle, with a restructuring-protective effect on weak or damaged hair.
2. It helps give shine and strength of the hair
3. It has anti-dandruff effect with rosemary essential oil.
4. It has a purifying action which prevents hair loss.

Description:

A very effective lotion created for hair loss, fragility and impurity problems. It contains apple stem cells which has a revitalizing effect on the skin and nettle, with a restructuring-protective effect on weak or damaged hair. It helps give shine and strength thanks to millet.

It has a purifying action with propolis extract and Laminarghane (with sea natural active ingredients), which has an inhibitory effect on 5alpha-reductase enzyme, responsible for sebum production. If this production is excessive, it can impede bulb respiration and cause hair loss. It helps contrast the dandruff with rosemary essential oil.

How to use:

Shake it before use. Apply it 2-3 times a week on wet and clean skin with a soft massage. It is not necessary to rinse the lotion. It is recommended using it with Miglio Plus Shampoo with Stem Cells for weak hair. Possible deposits inside the product are caused by vegetable active principles.
